All the dogs on these pages are available for adoption now. If you are interested in meeting any of these adorable friends, please contact the group listed with the picture.

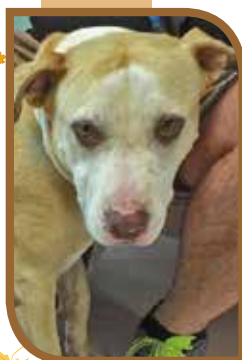

GABBY (855429): I am a gentle 5-year-old girl who is a complete love bug! I will gladly follow you around the house and give out doggie kisses. I would make the perfect binge watching partner. I have allergies which causes many families to overlook me. It is manageable and I promise to love you unconditionally in return. Meet me at HSSA Main Campus at 635 W. Roger Rd. or give an adoptions counselor a call at 520-327-6088, ext. 173.

SUGAR I'm SOOOO sweet that my foster named me Sugar! I'm a beautiful, healthy, little girl! I'm only 2 years old and I weight 42lbs. I love to go on long walks and hikes and my favorite part of the day is snuggling on the couch while we watch TV. I'm a good girl in the house and never chew on anything that isnt mine and of course potty trained! To meet me please call Smiling Dog Rescue at 520-977-8000 or fill out an adoption application at SMILINGDOGRESCUE.COM

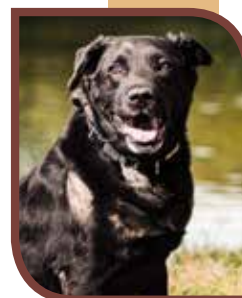

LOLA (862321): I'm a 1-year-old girl who does great with dogs and am often referred to as the life of the party. When I was a puppy I was very malnourished and as a result I have an unusual coat. I have allergies and will need medication and follow up care. Take a chance on me and I promise you won't be disappointed. Meet me at HSSA Main Campus at 635 W. Roger Rd. or call 520-327-6088, ext. 173.

AXO I've gone from being a lost, hungry dog, traveling a lonely road alone—to being the happy, well-mannered guy I am today. I could play ball for hours—taking breaks for treats and belly rubs, of course. I'm about 6 years old, probably a Boxer/Staffie mix, with a short tan and white coat, athletic build, and bright eyes that say "Come see me; I'm eager to be your next best buddy!" TALGV 520-625-3170

MERCEDES I was lost, and although I'm leash trained, if other dogs bark at me, I often speed up, so maybe there was trouble once. Now I'm a happy girl. Housetrained, good in the house when people are gone, quiet and calm. This 5-year-old Staffordshire Terrier mix has only one imperfection: I like to chase the cats. Good on walks and know commands, I'm treat motivated and affectionate, always interested in you. TALGV 520-625-3170

DUKE (A673596): I am a 14-year-old gentleman who likes to leash up and walk. I am house trained, super friendly, and I have enjoyed the company of other pups,. I am looking for a retirement home with a comfy bed. I have a \$0 adoption fee. A \$20 license fee applies to adult dogs. Adoption includes spay or neuter, age-appropriate vaccinations, microchip, and a free vet visit. I'm at Pima Animal Care Center, 4000 N. Silverbell Rd., 724-5900. Monday - Friday, 12pm - 7pm. Saturday and Sunday 10am - 5pm.

DOGHOUSE

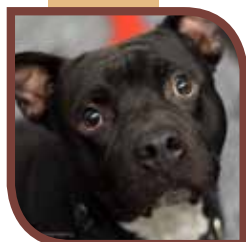

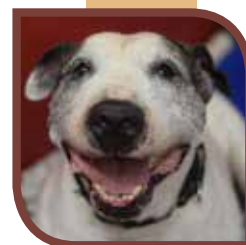

If just one of every five Americans wanting to add a cat or dog to their family in the next year adopted from a shelter, not one single healthy, treatable cat or dog would lose his life in a shelter.

HONEY My name is Honey, affectionately known as HoneyBun. I'm an 8-year-old Chihuahua mix, temporarily living with my foster family and fur-friends. Everyday I play with my other doggie friends and even the resident cat. I'm kennel and potty trained. Short walks and lazing around outside in my yard are great ways to spend the mornings, even the evenings. Right now, I'm looking for my forever home and hope to meet a loving, caring family that I can call my own. www.missmaggiemays.org 520-256-3073
