

A VISIT TO THE

DOGHOUSE

All the dogs on these pages are available for adoption now. If you are interested in meeting any of these adorable friends, please call the group listed with the picture.

OLLI I am a 9 year-old Chihuahua boy, but I don't leave the toilet seat up because I am potty trained! My favorite things are to cuddle, be loved, and eat treats! I really enjoy hanging out with my humans; that's why I prefer someone who is home most of the time. I am great on a leash, so I am perfect to go on sunset walks with you. No kids and I prefer women - things already scare me enough sometimes, I really don't need the extra stress. I am altered, up to date on vaccines and microchipped. KANGA I'm loving and attentive. I weigh about 50 lbs., and I think I am part Malinois or other German Shepherd-type, and part Whippet or Greyhound. My favorite thing in the world is long walks or slow jogs with my human. I'm approximately 7 years old, spayed, up to date on shots. I can be a bit shy when meeting new people, but once I trust you; I'm your best friend. I'm kind of picky about dogs, and most likely to get along with a laidback male— aren't most girls? GABBY (855429) I am a gentle 5-year-old girl who is a complete love bug! I will gladly follow you around the house and give out doggie kisses. I would make the perfect binge-watching partner. I have allergies, which causes many families to overlook me. It is manageable and I promise to love you unconditionally in return. HSSA Main Campus: 635 W. Roger Rd. or call 520-327-6088, ext. 173.

HAZELNUT (852499) I am a 2-year-old girl who has graduated from HSSA's New Beginnings Canine Program. In the program I learned basic commands and how great people can be, especially if they have treats! My dream home will share hot dogs and enjoy playing Frisbee! Bring your family, dogs included, to meet me at HSSA Main Campus: 635 W. Roger Rd., or call 520-327-6088, ext. 173.

SIMBA I'm a 4 year-old traditional bone mouth Shar Pei. I'm fantastic with small dogs, and I prefer larger dog friends to be female. I love my crate, and live to go on walks! I walk beautifully on a leash with zero pulling, and would be perfectly happy in an apartment, or a space with a small yard. I love my people, and would love to sleep right next you. RYLER I'm a 7 year-old gorgeous brush coat male Shar Pei. I am good with small dogs and well-behaved larger dogs, but am not a huge fan of dogs right up in my face. AND, I'm not a huge fan of cats. I love car rides, and have been told that I'm incredibly well trained. I know sit and stay, and I will give you my paw. I walk easily with a loose leash. I also love my crate. Pei People peipeople.com, or Kim 520-730-5183

BIG SEXY I am an 80-pound, gorgeous 18 month-old Bull Mastiff/Shar Pei mix. I need some work on my leash manners, but have been working with a trainer. Haven been given some rules, I'm excelling. I love my crate, and my 2 female Shar Pei mix foster sisters. My size and age might make me best suited for a home with older children. Pei People peipeople.com, or Kim 520-730-5183

A VISIT TO THE

DOGHOUSE

If just one of every five Americans wanting to add a cat or dog to their family in the next year adopted from a shelter, not one single healthy, treatable cat or dog would lose his life in a shelter.

BEAU I'm a Handsome 6 year-old Blue 'n White; I'm a sweet, happy, healthy boy who's polite and well-mannered. I've been called a Great Companion! I am completely potty and crate-trained. I walk well on a leash, and am always good in the house. I love other dogs; in fact, my best friend is a pretty girl named Nikita. We would both be very happy if we could be adopted together because we are Love Birds. We can be separated too! My girlfriend and I would love to meet you. NIKITA I am a polite sweetheart, and a fabulous companion! You can see my tri-colored coat makes me beautiful; what you can't see is that I'm 7 years old, a healthy girl that is mellow, completely house-broken, crate trained, great in the house, great with children and other dogs, too! I walk well on a leash and know basic commands. In short, I'm pretty much perfect! My best friend, BEAU, and I would be very happy to be adopted together, if you want a bonded pair of lovebirds. We can also be separated. Smiling Dog Rescue 520-977-8000 or SMILINGDOGRESCUE.COM

ROMAN Would you mind rubbing my belly while we talk? I am 7 months old and a big, happy puppy. Both my back legs were broken when I was little, and I had to stay quiet for too long. Now I get to run and play and wrestle with the neighbor dog. Wanna play tug-of-war? I am really good at it! Can we go home now, so I can show you?" HOPE Animal Shelter hopeanimalshelter.net or 520-792-9200

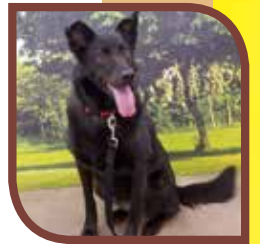

SADIE The most wonderful man adopted me from HOPE Animal Shelter 4 years ago. He was very kind and took me everyday to Udall Park; this special person died, and I came back to HOPE. I am around 10 years old, and get along great with other dogs and cats. I just want a quiet home with a loving person who is home a lot because I can get anxious when by myself. If you have another 4-legged friend, that would be perfect. HOPE Animal Shelter hopeanimalshelter.net or 520-792-9200

MAPLE My name is Maple waiting for juuuust the right home. My person got sick, but my report card shows I'm "the best behaved dog" – as long as I'm the only dog. I'm healthy, mature and am perfectly acclimated to all kids. Adoption includes crate, wellness check-up at our vet, food, and free behavior support for life. PitnProud.com or text 520-255-1696

STELLA ROSETTE I am a very social and energetic four year-old heeler/labmix. I love people more than other dogs; I tend to be a bit alpha with other dogs, and I can over protect my humans, so no homes with small dogs please. I would love a place that has lots of room to exercise and chase and tug on my rope toys. I am super affectionate, bright and very loving and would love to have a forever home. Bark In Tucson barkintucson@aol.com

OLIVE ANN I am a 3 year-old Queensland Heeler mix and THE quintessential heeler. I adore people and children, but would be better as an only dog as I do not like other dogs so much. I am in my prime and have tons of energy, but I am not destructive. I am the most devoted dog and will give you all of the love I have. Bark In Tucson barkintucson@aol.com
