CATS FOR ADOPTION

All the cats on these pages are available for adoption now. If you are interested in meeting any of these adorable friends, please call the group listed with the picture.

SUNNY I was very filthy and stinky when a very nice SOS supporter picked me up at the Mall and brought me to SOS. I'm just a love bug and LOVE to snuggle. I can be shy at first but after I sniffed you out, we're best friends. I love chasing my toys around, play nice with strings, feathers, and mice, and don't mind head or chin scratches. In my current foster home, I live peacefully with other cats and help my foster mom get ready in the morning by supervising her routine while chilling in the sink. PEANUT I love to love on my human and can't get enough of chin scratches. I'm a playful cat, a good huntress for anything on a string with lots of cuddles to give. I enjoy Netflix evenings or Game of Thrones nights, as you share your couch or bed with me. I'm a little shy at first, especially with strangers, but I warm up quickly. I'd enjoy a relaxing environment and enough time to get used to everything. I lived with three small terriers in my previous foster. SOS Cat Rescue 520-445-3889 or email info@SOscatrescueAZ.org

WILBUR 864783 I am a mellow, affectionate boy who hopes my forever home has a cat tree just for me. I enjoy people talking softly to me and will often talk back. I would prefer to be you're only pet so that I can get all of your love and attention. In the past I have done well with kids. HSSA Main Campus: 635 W. Roger Rd., or call 520-327-6088, ext. 173.

HANNAH 862861 I am a curious and playful 5-month-old girl who can't wait to meet you! I am lucky to spend my time waiting to meet my forever family in a foster home. HSSA Main Campus: 635 W. Roger Rd., or call 520-327-6088, ext. 173.

TREBLE I'm a sweet, gentle, declawed, blue boy senior who would like a quiet home for my golden years. I tolerate the other cats, but I'm not a big fan. I was turned into PACC because I stopped using the litterbox. Turns out it wasn't my fault...I was blocked! I'm all better now after my urinary catheter, and I've been here almost 2 years – I don't know why. HOPE Animal Shelter www.hopeanimalshelter.net or 520-792-9200

DILLY If it weren't for my diminutive size, you might think I'm a Maine Coon, but no, I'm simply a little "mini-Maine!" I know my name, am very calm, and love to be petted. I'm a sweet girl with lots of purrs to share (especially in bed at night!), so I hope you'll be the one to give me that chance! The Animal League of Green Valley 520-625-3170

SILVER I make quite an impression with my silvery tabby fur and golden eyes, and even more of one when you get to know me! Although I've been roaming free, now that I'm safe I'm looking forward to lots of "us" time in a secure new home with my own person. As an 18-month-old guy, I've got TONS of time ahead of me to share all the joys of life, so won't you please make that happen and come by for a chat? I know that's all it'll take! The Animal League of Green Valley 520-625-3170

NOCHE I am a sweet, well-adjusted, completely blind girl. I had a severe Upper Respiratory Infection as a very young kitten, and have been blind since. I am also FIV (Feline Immunodeficiency Virus) Positive. I am looking for a loving home willing to take a special needs kitty. Claws 'n Paws: info@clawsandpawsaz.org
