

## IN THE BARN

All the Horses on this page are available for adoption now.  
If you are interested in meeting any of these adorable friends,  
please call the rescue group listed with the picture.

**TEDDY** I came to Equine Voices in January of 2012. I'm an old ranch horse that was found abandoned in the desert with a permanent injury to my leg. I was adopted out, but came back a year later when my owner couldn't care for me. I'm about 14 years old now and 14.5 hands. I'm kind-hearted and can no longer be ridden, but I would make a wonderful companion horse. Equine Voices Rescue and Sanctuary 520-398-2814

**WHISKEY** I am a beautiful, blind Arabian horse who is about 17 years old. I love to ride and I load into a trailer like a dream. My rescue says they can offer specialized training to my adopter to help with the unique skills required to handle a blind horse. I also have a bumper guard mask to help me navigate when I am not being ridden. Wildhorse Ranch Rescue 866-926-8007

**NOEL** I'm a gorgeous 4-year-old Sorrel Quarter horse colt. I've had foundation training and learned to halter, lead, and pick up my feet. I get along well with other horses and am a sweetheart. I would need an experienced person to adopt me, and I would really like to be adopted with another horse named Magic. The sight of a kite on a windy day brings me joy. **BRIGHTHEART** I was rescued in June 2017. I was a gentle soul left without food, water, shade, or love. My outlook was grim upon arrival. However, against all odds, I continue to improve, and I am loving life out in the pasture. I am a handsome horse born in 1985. I am retired now, as I should be. During long walks, I clear my mind and do some of my best thinking. Horse'n Around Rescue Ranch and Foundation 520-266-0236

**BINDI SUE** I'm a visitor favorite here at the rescue! I first arrived with my original herd in July of 2013. With the help of several rescue groups and some wonderful adopters, all the other burros have been adopted into good homes. I enjoy life here at the burro habitat! I've learned that good communication with people is all about body language, and sometimes, gentle nudges. Equine Voices Rescue and Sanctuary 520-398-2814

**SUNSHINE** I am one of the "Sonoita Creek Horses." I am drop dead gorgeous, but I will need to go through a training program if you are interested in adopting me. I've heard people have a kind of game of basketball called "horse." We horses have a lot of games, but we'd never be so esoteric as to name one of them "human." **ROW** I'm an Andalusian cross horse who is now in her teens. I am rideable, but I would need some refresher lessons first as it's been a few years. You can lead a horse to water, but you can also lead her to a new permanent home where she will be taken care of and happy forever. This world feels so open, even from my corral. Wildhorse Ranch Rescue 866-926-8007

**IGI** I arrived at the rescue May 2015! I'm registered with the American Quarter Horse Association as I Got Invited, and that's where my name comes from! I'm a handsome gelding in need of a new life. I'm recovering from an old neck injury. I'm friendly and confident and addicted to carrots. There's something about southern Arizona scenery that's romantic to a horse. I was born May 24, 1998. Horse'n Around Rescue Ranch and Foundation 520-266-0236
