All the cats on these pages are available for adoption now. If you are interested in meeting any of these adorable friends, please call the group listed with the picture.

**JEZEBEL** (850718) I am a 3-year-old girl looking for the purr-fect family! I am a loveable girl who loves ear scratches! I tested positive for Feline Leukemia (FeLV) but don't let that scare you! It only means I will need to live in a low-stress home and live exclusively indoors. Humane Society of Southern AZ 520-327-6088, ext. 173.

**MINX** (852293) I am a 2-year-old girl looking for the purr-fect family! I am very loving, and enjoy talking with my favorite humans. I am a staff favorite and was featured in HSSAZ's 2018 Super Bowl commercial. I tested positive for Feline Leukemia (FeLV) but don't let that scare you! It only means I will need to live in a low-stress home and live exclusively indoors. Humane Society of Southern AZ 520-327-6088, ext. 173.

**PIPER** I'm a 1 year-old female. A Good Samaritan rescued my mom and me in Mexico. I then traveled to Tucson, where I now live in a Claws & Paws foster home. If you like your sugar & spice with a little extra spice, I'm your gal. It takes me a little while to get used to a new person. I am a super-active kitty; I would prefer to be an only pet, however, I can tolerate other cats if they stay out of my space, but I am not a fan of dogs. Claws & Paws Rescue 520-389-8875

**JOHN WAYNE** I may look like a bruiser, but I'm really just a sweet, gentle, 3-year old, Domestic Medium Hair. I have Feline Immunodeficiency Virus, so I'm living in the FIV Room at The Hermitage. I am laid back, and am most happy to greet you. I love ear scratches & chin rubs so much that I chirp a bit if you stop. I am ready for a loving home; I'm certain to melt hearts of everyone I meet! The Hermitage Cat Rescue & Sanctuary 520-571-7839 hermitagecatshelter.org

**BRYANT** When I first arrived a year ago, I was extremely shy & would not let anyone get too close. I have Feline Immunodeficiency Virus (FIV), but don't let that scare you. A few months ago, I started actively seeking attention. I am one of the first to say hello, and I follow people around to make sure I get as much love as possible. The Hermitage Cat Rescue & Sanctuary 520-571-7839 hermitagecatshelter.org

**JUDE** I love getting attention from everyone, and my super soft cottony fur makes me even more snuggly. I am not the least bit shy. I have Feline Leukemia Virus (FeLV), so I live in The Hermitage's FeLV Room, where I quickly elected myself the welcoming committee! **CHAMP** (A623756) I am a beautiful blue boy with the chubbiest cheeks! I came from a house with way too many cats, so I didn't get exposed to a lot of human contact as I grew up. I am working on that at the shelter. I am in a program that uses clickers and treats to help me learn that humans are pretty nice. I am now not so scared AND I learned getting a neck rub is soooooo good. Pima Animal Care Center (PACC) 520-724-5900 Ask for information about animal ID: A623756

**BANANA NUT** (A632863) My name is Banana Nut, and, just like my name, I am a bit of a nut. I love getting petted, and I get along with all the other cats. I am a neutered male, white and black Domestic Medium hair, about 6 years old. I have been at the shelter since Apr 27, 2018. **CORY** (A637179) Hi, my name is Cory. I am a male, orange tabby and white Domestic Shorthair mix. The shelter staff thinks I am about 11 weeks old. I have been at the shelter since Jun 11, 2018. Pima Animal Care Center (PACC) 520-724-5900 Ask for information about animal ID: A637179

**TABBY** (A633044) I am in foster care through PACC. Some nice folks brought me to the shelter because they knew I was sick. The staff at PACC gave me medicine, and I am really the friendliest kitty you'll ever meet! I'd love to find my fur-ever home! **BOOTS** I am a Domestic Long Hair, currently at Hope Animal Shelter. As a small, senior kitty, I would really like to find my permanent home where I can kick up my Boots and hang my hat! My vaccinations are up to date and I've been spayed. Hope Animal Shelter 520-792-9200
