We're bonded sisters who just celebrated our 1st birthdays! We came to the Hermitage with our siblings cuz our human was moving. We're interested in cats & humans, curious about everything, & we've never met a treat we didn't like. We'd love to share an afternoon & treats with you!

## NINDARA (M) & NINSHE (F)

We're bonded 1 year-old twins found in a TNR sweep. The best of friends, we're quiet & sweet. We are getting used to being around more people, so we hope to find a loving home with a patient human who will love us both!

**The Animal League of Green Valley \$45 adoption fee**  
**TALGV Appointments 10am-2pm. 520.625.3170**

## POLAR

I'm a 2 y/o Tuxedo guy that is slow to warm up but really wants your patience, friendship, & a place in your home. Once we're buds, I will roll on my back for attention, enjoy being petted, like giving kisses, love playing with string toys, & getting treats.

## NALA

I'm a 7 y/o Manx "Maine Coonish" lady who needs a patient person to help me get over being parted from my former family who separated & couldn't take me along. I can be slow to warm up, but please give me a chance to be part of your family.

**PACC CATS: \$0 adoption fee. Adoption includes spay or neuter, age-appropriate vaccinations, microchip, and a free vet visit.**

## BEEBEW DSH ID# A735195

At 5 ys/o, I have the softest & cutest meow that'll melt your heart! I'm somewhat vision impaired, but can likely see shadows & navigates well in places I know. I get pretty excited at meal time. I've lived with other cats, am food motivated, & one of my favorite pastimes is napping.

## SHEBA DMH ID# A746169

I think that basking in sun puddles is the way to spend the day! I'm 8 ys/o & napping is at the top of my list of favorites, followed by eating tasty treats, napping (oh! we already mentioned that?!), crinkle toys to bat around, & window shopping (to watch the birds & lizards, of course!).

## BLUES ID# A748786

I'm the BESTEST office cat ever working as a lap warmer, giving kisses & "love" nibbles. I'm 10 ys/o & diabetic, I take my insulin like a champ. I'm looking for a foster or forever family to help me manage my needs. Curious about diabetic kittys? Plz Email [Stephanie.Stryker@pima.gov](mailto:Stephanie.Stryker@pima.gov). Fostering for PACC all medical costs are covered, including prescription food.

## Humane Society of Southern Arizona

Please contact an adoptions counselor to learn more about our animals and set up a time to come meet them at 520-327-6088 ext. 173, and visit us at HSSA's Main Campus at 635 W. Roger Rd.

## KIANA ID# 905295

I'm a magnificent 3 y/o who's quite unique! I see the world in a different way - by exploring my surroundings through sound. I keep my ears wiiiide open & tilt my head back & forth while I learn about new spaces. Once I'm comfortable, you'll see how curious & playful I am. I can't wait to find my forever family!

## VIRGO ID# 904458

I'm Virgo, a 1 y/o cat who's searching for a forever home. If you've been looking for a reason to adopt, consider me your sign. Though I come off as shy at first, anyone who knows me will tell you how sweet I truly am. Are we a pairing written in the stars? Come meet me to find out!

## CHLOE

I love pets & scratches behind my ears. I'm a little shy at first & with loud noises, but I'm an awesome kitty that has been waiting for her forever home for a long time! I'm fine with dogs, other cats, & kids, as long as they're respectful. I'm about 2.5 y/o, spayed, current on vaccines, FIV/FeLV negative & microchipped.
