DALLAS

I'm a 5 y/o boy full of life. I love attention but can be a bit apprehensive in new situations & surroundings, so I'll need time to adjust. I crate up easily, do well on a leash, & am mostly house trained & use a doggie door. I love to play with other dogs, regardless of size, but am untested with cats.

DELLA

I'm a sweet 8-9 y/o gal who makes friends easily. I'm using a doggie door getting into a routine in foster care. I'm quiet & could do well with a retiree or work from home. I walk nicely but slowly on a leash & do fine in a crate for short periods. I'm great with kids & probably ok with cats. I have a nonfunctioning eye but it's okay.

MISS PAISLEY

I'm a 2 y/o boy who's small but mighty with a deformed back leg that doesn't stop me from anything I came from a place that rarely let me inside, so I might need continued potty training for proper indoor manners, but I'm kennel trained & a quick learner. I'd do best in a home with older kids. I like dogs but it's unknown how I'll do with cats.

RABBIT

I'm a mellow 2 y/o dude who likes to chill & prefers dogs with the same mindset. If I'm not sleeping with you, I love to squeeze into a dog bed that's a little too small. I'm up to date on vaccines, chipped & fixed. I get along with all sized dogs, cats, & humans but prefer a laidback home.

GRACE

I'm a 1 y/o pug mix girl who needs a caring family to assist me with my manners. My ideal family will work with me on my exuberant hellos. I love to play & have lots of energy. I get along with dogs, not sure of cats, but I'd probably do fine with kids. I'm kennel trained but will need guidance on a potty routine initially. I'm spayed, chipped & waxed.
