MOOSE

I'm a big baby of a boy who's 4 y/o & ready to find his forever home! I'm laidback & enjoy the simple things in life: snacks, lounge spots in the sun or just somewhere cozy, & some good pets/cheek scratches. I like snuggles & the company of my humans. I coexist fine with other cats & would be fine with respectful kids & dogs.

ADAM

I'm a gentle 1 y/o guy who's truly sweet & lovable, just a little shy at first, but warm up once I know I'm safe. I love chin, cheek, & booty scratches. I very much enjoy the company of other cats & need a feline friend at home for comfort. I'd be best with older kids & can adapt to laidback dogs that give me space.

BENNY

I'm a sweet 2 y/oboy with a big purr & an even bigger heart. I was found in Mexico with a severe jaw injury that took months to heal, but now I'm ready for a forever home! Playful, I'll flop down beside you & roll over for belly pets. Dogs aren't my thing, but I'd be a wonderful companion to my forever family.

HIGGINS

I am a sweet 10 m/o tabby boy that was found & brought to The Animal League to find a good home. Shelter volunteers can coax me to play with a feather wand & I'll let them pat my head. I'm wishing for a rescuer with patience & a kind heart. Could you be them?

MISS KITTY

I'm a 4 y/o feline lady with a sleek & shiny black fur coat. I can be very vocal at times & when I "chirp- meow," you'll know I'm happy. I lived with a couple who had to release me due to their failing health. I don't care to be picked up yet, but I'm good for petting. Please call & make an appointment to meet me.

DISCOVER

I'm a 1 y/o gray tabby girl with white patches & big yellow eyes. I can be shy with people, so I need a quiet home with a patient family. I do get along with the other cats here at the shelter, but I need a kind person to take a chance on me. Please be them & make an appointment to meet me!

NALA

Hi! I'm Nala. I play hard, snuggle harder, & sometimes use my mouth to express my excitement (so, no tiny humans, please). I'm a 2 y/o girl with a big heart & an even bigger pounce. I'd love to be your one-and-only feline companion. Once you're in my circle, I'm loyal, goofy, & full of love..

WENDY

Hi, I'm Wendy—a 4 y/o Tucson native & proud FIP survivor! I was a brave girl through daily medicine as a kitten, which made me a bit shy about being handled. Now healthy & happy, I love bedtime cuddles, movie nights, & soft meows for attention. I'd thrive as your only cat in a calm, loving home..

SALEM

I'm Salem. I'm an outgoing, independent gal with a quirky side & cranky meow. I like things *my* way & expect my humans (& any pets) to respect that! I can live with calm, submissive animals, but honestly—I prefer ruling the castle solo. With eight years of snuggle experience, I'm ready to share my sass & love.

BILL OW

I'm Billow, & I just turned 1! I came to The Hermitage with my "Cloud" babies; now that they've launched into the stratosphere with their humans, I'm looking for mine. I'm a little shy, but would love to turn your blues into sunshine! A sweet girl who loves treats, come & meet me!

BARNEY

I'm Barney, & I'm an older distinguished boy of 12. I recently returned to The Hermitage when I was found outdoors. I'd prefer to stay inside & snooze next to my very own human. I'm a healthy FIV+ boy. I love scritches & treats & would be a great companion kitty for just about anyone!

GOLDUCK

Hi! I'm a sweet girl who just turned 2. A nice lady found me living on the street & saved me so I could find a forever family. I love attention, & people keep calling me a "love bug". I just know that scritches are nice. I also like other kitties. Let's meet!
