ROSEMARY

I'm a 1 y/o girl who's the total package. A social butterfly, I confidently greet new friends & immediately ask for pets & chin scratches. The ultimate Velcro kitty, I'll follow you everywhere. UTD on vaxes, I'm Fiv-&Felv+, but can live with other cats with the Felvax.

LEO

I'm a sweet, chatty, 4y/o boy with a playful spirit & loving heart who'll happily keep you company all day. I enjoy interactive toys, chasing lasers, & climbing to the top of my cat tree to observe my realm below like the little king I am. After playtime I'm all about cuddles & relaxing near you. UTD on vaxes, I'm Felv- & Fiv+..

CLEOPATRA

I'm a 6.5 y/o girl who enjoys wand toys, catnip, & basking in sunny spots while bird-watching from a window. I prefer being near humans rather than on top of them but warm up beautifully with patience. I love attention once I feel secure. Best as an only cat, no small kids, please.

HENRY

I'm a 1 y/o gray & white fella who came to the shelter when my family decided they had too many pets. I enjoy petting, head scratches, & being brushed. What would suit me best is aregular home with a person who'll help me continue to let my better nature shine through!

BRUCE

I'm a friendly 1 y/o boy with a handsome orange tabby coat. When dad moved to a place that didn't allow pets, I came to the shelter. I can be shy at first, so I'm looking for a special person who needs a cuddly feline to share their bed with. Hint!

ANDREW

I'm a handsome 13 y/o declawed Seal Point Siamese gentleman who's sometimes independent & prefers being an only pet. I don't get along with other cats & never been around dogs or kids. If you're looking for a senior kitty with Vet Care Support for Life, please call about meeting me.

MERLIN

A snuggly 3 y/o boy with a great personality, I initially needed a little extra care due to a diabetes diagnosis but I've handled my twice-daily insulin like a pro. Full of love, charm & resilience, I'm looking for a home experienced with diabetic cats or excited to learn how to care for me & help me thrive!

SILVER

I'm an affectionate 3 y/o girl with a big voice, an even bigger heart, & a knack for charming everyone I meet. I'm pre-diabetic but do great on my special diet with no insulin needed! I'd love a home that understands my needs & that would welcome my brother Merlin— we balance each other out & make a wonderful pair!

DIESEL

A 3 y/o guy with a shy streak, I like to watch the world from a cozy hiding spot, taking my time to feel safe. Once I trust you, I transform into a playful, chatty, & affectionate companion who loves a good window view & a warm spot on the bed. I'm happiest in a patient home giving me the space to bloom.

JACKIE CHAN

Hi! I'm Jackie Chan, & I'm 4 y/o. I would love to be your action hero! Sliding in for snuggles, eating heroic treats, & being a best friend with humor! I'm sweet, snuggly & best of all, adorable! If you have sunny snoozing spots, I'll bring the jumps & purrs! Come meet me today!

NASTAR

I'm Nastar, & I just turned 3. I was recently returned when my human moved, but I'm ready to find a forever person now. I'm a sweet boy, occasionally known to enjoy conversation, who would love to cuddle & adores treats! Do you have any to share?

QUEENIE

I'm Queenie, & I would love to celebrate my 3rd birthday with a family! Not for the faint of heart, I'm a Calico Queen! I love laps & cuddles but I don't want to share my human with other felines. Come meet me & see if I'm not just perfect! (I am!)
